EDUCATION

Thiagarajar College of Engineering

M.Sc. Data Science

CGPA: 7.50

Madurai
2023–2028

SBOA Higher Secondary School

HSC

Percentage: 89.33

Madurai
2023

BMS Vidhyalayam Matriculation School

SSLC

Percentage: Pass

Madurai
2021

AREA OF INTEREST

Web Development (Full-Stack), Data Structures & Algorithms, Artificial Intelligence & Machine Learning, Data Science & Predictive Analytics, Big Data Technologies.

TECHNICAL SKILLS

- **Programming Languages:** C, Java, Python, JavaScript, SQL
- **Database Technologies:** MySQL, MongoDB, SQLite
- **Web Technologies:** HTML, CSS, MERN Stack
- **Frameworks & Libraries:** Express.js, React.js, Node.js, PrimeReact
- **Data Science & ML Tools:** WEKA, Pandas, NumPy, Scikit-learn
- **Development Tools:** VS Code, Git, GitHub, Jupyter Notebook

PROJECTS

Docsheild — MERN Stack, Blockchain, Web3.js, Smart Contracts, Encryption

Jul 2025 – Oct 2025

Independent Project

Developed a blockchain-powered platform for secure document storage, encryption, and controlled sharing with JWT authentication. Ensured tamperproof audit trails by integrating immutable blockchain logs with MongoDB storage.

Smart Water Pressure Management System — Flask, Python, ML, Epanet, Supabase

Jan 2026 – Apr 2026

Independent Project

Developed a data-driven System using SCADA and EPANET for real-time monitoring, anomaly detection, and automated pressure optimization across urban water networks.

PROFESSIONAL EXPERIENCE

Lakshmi Corporate Services

Frontend Developer

Coimbatore
2023 - 2025

Developed a role-based Service & Activity Management Web Application using React, TypeScript, PrimeReact, and Redux Toolkit to streamline user operations, activity tracking, and administrative workflows with a scalable UI.

CERTIFICATIONS

- **Leading Teams, HR Analytics, Influencing Teams, Probability and Statistics** – Coursera
- **Computer on Office Automation** – Private Institute
- **AI Chatbots 101: Build Your First Python Assistant** – Skyy Skill Academy
- **Front-End Development (HTML, CSS, JavaScript)** – Infosys Springboard
